I AM NOT GUILTY BECAUSE THE POLICE OFFICER WROTE TWO FRAUD IN THE INDUCEMENT TICKETS, HE CONCEALED THE FACT THAT HE HAD NO PROBABLE CAUSE FOR THE POLICE STOP AND HE MISREPRESENTED THE INCIDENT BY CONCEALING THE FACT THAT HE USED A DEFECTIVE POLICE STOLEN CAR READER FOR THE RENTAL CAR STOLEN ALLEGATION. ABOVE ALL, I HAVE A GOOD-STANDING DRIVER LICENSE. IF THERE WAS PROBABLE CAUSE, THE POLICE WOULD NOT HAVE TO CONCEAL EVIDENCE AND LIE. THIS WAS A YOUNG OFFICER BEING TRAINED TO BE A CRIMINAL. THE FAILURE TO COMPLY FRAUD IS EVIDENCED IN THE PICTURE W THE POLICE AT MY WINDOW WITH HIS DEFECTIVE POLICE DEVICE. IF I DID NOT COMPLY, HE WOULD NOT BE AT MY WINDOW OBSTRUCTING MY LIBERTY RIGHT TO NOT BE INVOLVED WITH POLICE DEFECTIVE DEVICE MANAGEMENT. PLEASE SEE THE ALLEGED POLICE'S ORGANIZED FRAUD DEFECTIVE POLICE DEVICE IN AFFIDAVIT 2, EXHIBIT 4. THE TWO AFFIDAVITS DOCUMENTING THE POLICE ORGANIZED FRAUD CRIMES ARE LOCATED AT:

MIRIAM SNYDER'S CRIMINAL COMPLAINT, ANSWER TO NEW NYS DMV FRAUD,
AFFIDAVIT OF OBJECTION AND NOTICE OF WASHINGTON DC ATTORNEY C. BOYDEN
GRAY KNOWN AS REGIONAL KILLER BOYDEN GRAY, REPLICATED, CRIMINAL AND
DEADLY USE OF THE NYS DMV FOR MULTIPLE MURDER BY PROXY PROGRAMMINGS VIA
REPEATED CRIMINAL PROGRAMMED USE OF NYS DMV AND NY STRANGERS WITH GUNS,
ALLEGED POLICE, FOR HIS ATTACHED FRAUD IN THE INDUCEMENT, CONSPIRACY
AGAINST RIGHTS, PLAUSIBLE DENIABILITY, UNSIGNED, NO PROBABLE CAUSE,
MERITLESS, UNAUTHORED, UNAUTHORIZED AND UNAUTHENTICATED NOTICE OF
IMPENDING DRIVER LICENSE SUSPENSION AND CONVICTION

1. I, Miriam Snyder, am the affiant, witness, and victim survivor, in this proceeding.
2. I have written and read the attached DMV Criminal Complaint, Answer to New DMV Fraud, Affidavit of Objection and Notice of C. Boyden Gray Known as Regional Killer Boyden Gray, Replicated, Criminal and Deadly Use of DMV.
3. All of the facts contained therein are true to the best of my knowledge, information, belief and personal experience.

4. This DMV Criminal Complaint, Answer to New DMV fraud, Affidavit of Objection and Notice, is well grounded, cognizable in facts and warranted by existing law or by good faith argument for the extension, expansion and enforcement of existing constitutional protection law.
5. This criminal complaint, answer, notice and affidavit document is not interposed for any improper purpose.
6. I have filed this in good faith and solely for the purposes set forth in it. I, Miriam Snyder, hereby declare that this Affidavit the attached exhibits and affidavits attached are true and correct.
7. Foremost, I, Miriam Snyder, write this affidavit with respect to the attached two repeated, unwarranted, unconstitutional and unauthorized DMV caption, unauthored, plausible deniability, insurrection letters attempting to again criminally, based on the attached documented fraud, suspend my exemplary-standing NY driver's license. One of the attached unauthorized DMV caption and unsigned letters is dated April 11, 2022 and references a ticket No: ABD9733076. Please see exhibit 1. The second unauthorized DMV caption, unsigned, 18 U.S.C. §1018 False Writings and NYS Penal Code 175.10 Falsified DMV Business Record Letter is dated April 11, 2022 and references a ticket No: ABD973065. Please see exhibit 2.
8. Both of these unsigned, unauthorized, unauthenticated and betray the NYS and Federal Constitutions, threat and liberty rights seizure letters exemplify need for NYS DMV supervision, criminal investigations and the stoppage of criminal usurpations in the DMV in the allowance of DMV caption, unauthored, criminal and unauthorized threat letters to be sent to God loving people, in contravention to the below cited laws that criminalize these NYS DMV business practices pursuant to 18 U.S.C. §876 MAILING THREATENING COMMUNICATIONS.
9. The purpose of this affidavit is to show via a preponderance of evidence in this affidavit and the attached exhibits that DMV is being criminally used for Regional Killer Boyden Gray's repeated, criminal senile, eugenic, retaliatory and malicious DMV prosecutions, frivolous litigation via repeated lawless good-standing driver license suspensions and threats for Regional Killer Boyden Gray's repeated attempted murders via his criminal, senile, unregulated, murder by proxy programming's. He has repeatedly programed and pitted the criminal enjoinder of counterfeit police, strangers with guns, using his DMV insurrection, false pretense, inducement of fraud and unauthorized driver license suspensions and threats.
10. The two attached Motion to Dismiss Answers and Counterclaims for the above noted falsified business records police tickets were delivered to the DMV by US Mail noted on the attached US Mail tracking receipt and were additionally delivered to the DMV via their evidence upload internet service receipt attached. Please see exhibits 3 - 8.
11. NYS DMV is being criminally used as a eugenic retaliatory and assassination programming front, specializing in criminal senile programming's for:

- ⇒ 18 USC SEC 1509 IMPEDING DUE EXERCISE OF RIGHTS BY ATTEMPTING TO PREVENT, OBSTRUCT, IMPEDE, AND INTERFERE WITH SAME, USE OF THE ATTACHED FRAUD ON THE COURT

12. NYS DMV agents are managing the DMV as a deadly Racketeer Influenced and Corrupt Organization in violation of 18 U.S.C. §1961 and such exemplifies need for state and federal supervision and investigations.

13. NYS DMV is operating as a NYS, unsupervised, criminal enterprise and betray the Constitution murder by proxy programming eugenicist front, specializing in the criminal use of malicious prosecution, 18 US Code § 1117 conspiracy to murder crimes and 18 US Code § 241 criminal conspiracy against rights crimes. Please see the below summary. These crimes and programmed police and civilian induce altercations, using treason license suspensions, are implemented for paid for induce hospital killings. They have been plotted and are rooted in the criminal use of DMV 18 U.S.C. §1018 FALSE WRITINGS AND FRAUD and 18 U.S.C. §1030(A)(4): FALSIFICATION OF COMPUTER RECORDS. The DMV is using falsified business records, with no signature, no affidavit, no seal, and no NYS required legal document authentication features, as alleged driver license suspension orders and threats.

14. Disseminating master deception, delusions of law, unsigned, unauthorized, unauthenticated, no authority, and counterfeit, driver license suspension orders and threats to suspend, good-standing driver license holders licenses, is the criminal use of NYS DMV for: 18 U.S.C. §1581 AND 42 U.S.C. §1994 PEONAGE AND OBSTRUCTING DUE PROCESS ENFORCEMENT UNDER the THIRTEENTH AMENDMENT.

15. The attached and all other previously submitted to me, NYS DMV administrative delusions of law, driver license suspension and threat counterfeit orders, with no author or signature are § 1692 e false and misleading representations in communications. DMV agents are using such as defraud authority or no authority delusions of law license suspension orders and threats. These NYS DMV counterfeit driver suspension orders serve no purpose other than malicious prosecution, mass murder by proxy programming for eugenicists to meet their satanic killing requirements in exchange for their personal gain delusions embedded in world power and wealth. The more killings they, eugenicists program, the more money they get. Look at the money generated for Regional Killer Boyden Gray's name aligned Covid 19 healthcare and his other name aligned infectious deadly pathogens. See exhibits 12, 17, and 21. In fact, see exhibit 17, this Regional Killer Boyden Gray Harmonization for the African region killings, effectuated over 35 million eugenic assassinations and such was used to create billions of unsupervised money, just like his name aligned Covid killings have been used to generate billions of unsupervised money.

16. The attached and all other previously submitted to me, NYS DMV administrative delusions of law, driver license suspension and threat counterfeit orders, with no author and with no signature and seal, violate and obstruct NYS signatory requirements in Part 130 of the Rules of the Chief Administrator; Section 202.16 of Uniform Civil Rules for the Supreme Court and the County Court.

17. Additionally, the attached and all other previously submitted to me, NYS DMV administrative delusions of law, driver license suspension and threat counterfeit orders, with no author and with no signature and seal, violate and obstruct NYS and Federal search and seizure constitutional protections, rooted in the USA Constitution: 4th, 5th and 14th Amendments and sections 11 and 12 in the NYS Constitution. Please see exhibits 10 and 11 in the DMV mailed, tracked, and uploaded Motion to Dismiss and Counterclaim linked at: UPDATED SIXTH AMENDMENT SPEEDY TRIAL VIOLATION FOR APRIL 2022

<https://www.forevermissed.com/lst/m/a/mazarine-levy-snyder/d/2840387.pdf>
18. The attached and all other previously submitted to me, NYS DMV administrative delusions of law, driver license suspension and threat counterfeit orders, with no author and with no signature and seal, obstruct Article VI, Paragraph 2 of the U.S. Constitution, which is commonly referred to as the Supremacy Clause. It establishes that the federal constitution, and federal law generally, take precedence over state laws, and even state constitutions. Please see:
<https://constitution.congress.gov/browse/article-6/clause-2/>.
19. This means all of NYS newly concocted, unsigned and counterfeit orders and all new fictitious NYS Motor Vehicle laws that are in conflict with the liberty right, authentication, affidavit and seizure protections rooted in the US Constitution, are ineffective, via Article VI, Paragraph 2 of the U.S. Constitution, as federal law takes precedence over state laws, under the invoked supremacy clause. I object to all counterfeit law making and delusions of law unauthenticated documents that have been used to maliciously prosecute, threaten and harm me. Because of these malicious and unsigned orders my good-standing driver's license has been criminally sabotaged for over 7 years. I have been denied the right to travel safely and to insure a car. I have been harmed and damaged beyond words.
20. The attached and all other previously submitted to me, NYS DMV administrative delusions of law, driver license suspension and threat counterfeit orders, with no author and with no signature and seal, obstruct consumer protections in Federal Rule of Civil Procedure 44 and Federal Rule of Evidence 902.
21. The attached and all other previously submitted to me, NYS DMV administrative delusions of law, driver license suspension and threat counterfeit orders, with no author or signature are:
- Completely without merit in law and cannot be supported by an affidavit anywhere and have no reasonable argument for an extension, modification or reversal of existing law
 - Frivolous and have been undertaken primarily to delay or prolong the resolution of DMV frivolous litigation, and have been programmed and are used to harass and have maliciously injured, Respondent and Plaintiff, as noted in the attached linked Miriam Snyder Motion to Dismiss Answer and Counterclaim,
 - In violation of FDCPA § 1692 e(13) Documents are legal process when they are not
 - Criminal in that they assert material factual statements that are false,
22. The attached and all other previously submitted to me, NYS DMV administrative delusions of law, driver license suspension and threat counterfeit orders, with no author or signature exemplify programmed conduct, actions and DMV caption in writing letters, that violate the federal mail and wire fraud statutes. 18 U.S.C. §§ 1341, 1343. They involved an ongoing scheme to defraud consumers, the police and courts. DMV agents used both the mails and the interstate wires.

23. The attached and all other previous NYS counterfeit DMV administrative, delusions of law, driver license suspension and threat orderings with no author and the signature omission, constitute a criminal conspiracy against rights, makes the police an accessory after the fact to deprivation of rights, and makes each of the enterprises guilty of misprision of felony and treason.
24. In addition to the DMV documents being unauthorized, the DMV agent handling this matter has invoked fraud on the court by maliciously threatening a license suspension using fraud on the court, disregarding the Answer submitted as documented in the attached mail receipt and DMV evidence uploaded receipt in exhibits 3-8.

Above all, NYS DMV, like NYS hospitals and other entities, are being criminally encoded for murder by proxy programming, to meet the satanic killing needs of eugenacists. NYS DMV has been and is being programmed for criminal senile murder by proxy management by criminally setting up good-standing drivers via their good-standing driver licenses with repeated false pretense, fraud in the inducement, fraud-based and treasonous driver license suspensions. Thereafter, DMV invisible authorities via plausible deniability programming, just like in the attached two DMV unsigned letters, are pitting police officers with guns after good-standing driver license holders, using this diabolical murder by proxy attempted murder program I have been victimized from for over 7 years.

For over 7 years I have been victimized by these DMV plausible deniability, unsigned, unauthored, unauthorized, no name invisible authority, unconstitutional driver license assaults and threats, that do nothing but pave the way for eugenic prepaid induced hospitalization killings of police officers and civilians.

Please see in the below link an excerpt from a documentary showing how eugenacists, like Regional Killer Boyden Gray have pre-paid hospitals for the hospital killing of healthy and innocent people, under the guise of Regional Killer Boyden Gray name aligned below, Covid 19 Healthcare. Regional Killer Boyden Gray programmed the hospital murder of my landlord to criminally usurp authority over my building, using his same stale, DMV plausible deniability deceptive business practices management. He is using his name aligned Covid hospital killing of my landlord, to usurp authority in my building to program his name aligned toxic Urban Air Initiative fraud and front, and his name aligned Lockheed Martin directed energy weapon assaults to induce hospitalize and kill more healthy New Yorkers. He is using his below documented betray the Constitution law front to criminally usurp authority in hospitals, banks, financial entities, and multiple NYC agencies, like the NYS DMV and criminally using such agencies to meet his satanic killing requirements, rooted in his eugenic assassination and murder by proxy programming's, in exchange for his personal gain delusions of wealth and power. Please note he has been criminally usurping authority he does not have, using defraud authority, stealing money, killing and infesting healthy people for over 50 years with no penalties. Please see the reference section. DMV is criminally being used as a Regional Killer Boyden Gray malicious prosecution, betray the NYS and Federal Constitutions front, and as a eugenic assassination programming headquarters. This has to be stopped on behalf of public safety.

The criminal use of NYS DMV for unauthenticated, plausible deniability, and meritless driver license suspensions and threats, paves the way for pitting healthy police and civilians for eugenacists paid for induced hospitalization killings. The following crimes have been maliciously inflicted on me in this matter and I seek an end to these crimes:

18 U.S.C. §1018 FALSE WRITINGS AND FRAUD

18 U.S.C. §225 CONTINUING FINANCIAL CRIMES ENTERPRISE (RICO)

These repeated DMV fraud-based assaults on my good-standing license exemplify Regional Killer Boyden Gray criminal senility programming that has effectuated over 7 years of DMV damages.

Fraud in the Inducement, like contracts obtained by duress, contracts obtained by fraud cannot be enforced. It is fraud to say I did not answer the above two tickets when the evidence shows I did. Please see exhibits 3-8. The two tickets issued are fraud based because there was no probable cause for any police stop, the police omitted and concealed the fact that he was using a defective police device, as shown in the pictures in my answer. The police knew his tickets were fraudulent at the time he made the false tickets because he concealed his defective police device in his false ticket writings, but could not conceal such from my answer, as exemplified in the picture of the police with his defective police device. Furthermore, I am filing this affidavit as an additional crime report with the above noted criminal justice and public official bonded persons. Regional Killer Boyden Gray's use of NYS agencies for his murder by proxy and betray the constitution programming's, will be stopped by any lawful means necessary and because I serve a living God.

The NYS DMV is being criminally used for repeated Regional Killer Boyden Gray's antiquated murder by proxy programming by repeatedly using unauthored, unconstitutional, and unauthenticated, criminal plausible deniability, meritless, counterfeit orders, to threaten and suspend good-standing driver license holders, driver licenses and thereafter police are criminally pitted after these good-standing driver license holders. This murder plan has been inflicted on me for over 7 years, but for the grace of God, I am able to tell my story, as a living witness and as a prayer that this eugenic murder program, using Regional Killer Boyden Gray's name aligned betray the constitution administrative law programming, as noted below, will be stopped.

I am a crime victim survivor and NYS DMV agents, under plausible deniability, are criminally using the DMV for further victimizing, by implementing the above noted repeated malicious prosecutions, unconstitutional good-standing driver license seizures, threats, suspensions, plausible deniability denied due process acts and the above noted murder by proxy programmed inflictions. Regional Killer Boyden Gray is a serial and regional killer that has been killing via murder by proxy programming's, induced hospitalization paid for killings, eugenic assassination programming, criminal NYC agency and hospital usurpations and deadly programming's, using his criminal law office front and his financial regulation front noted above. He has been and is still programming the killing of healthy New Yorkers and healthy children and adults all around the globe, for too long, without penalty. I seek the death penalty to stop him and this answer and criminal report will be used. On behalf of public safety, my story, including the criminal and murderous use of the DMV repetitiously against me, without cause, must and will be told.

Hence, at 80 years old and senile, Regional Killer Boyden Gray is demon possessed and obsessed with his programmed killings with no penalties yet. He is criminally programming the killing of thousands of more New Yorkers using his law office front and murder by proxy programming's, which include the criminal enjoinder of third parties, like the NYS DMV, NYS Tax Department, the NY police and NY hospitals. He is using defraud authority in the NYS Commissioner of Health office for his massive eugenic assassination programming's. Please see these two eugenacists working out of a Harvard attachment front and a Robert Woods Johnson foundation front programming the infestations and killings of over 35 million healthy humans in exhibit 13, 14, 15, 20, 22, 23 and 25. Please see pages 5 and 6 for the exhibit numbers with their eugenic assassination and murder by proxy programming's in the below criminal report.

Please see in exhibits 1-14, in the below link, Regional Killer Boyden Gray's current, senile, additional attempted murders of me, using his same plausible deniability management scheme to defraud, in my building, implemented due to his Covid name aligned murder of my landlord. My landlord was Regional Killer Boyden Gray name aligned murdered for Regional Killer Boyden Gray's criminal senile plotted and programmed attempted killings of me and other tenants in my building. He needs the killings any which way he can get them and plausible deniability, the removal of management, people's names, and all accountability, is one of his favorites. Please see some of his attempted murder programming's here at exhibits 1-14.

Plausible deniability programming does not belong in the NYS DMV at all and such is in the NYS DMV via Regional Killer Boyden Gray's repeated, senile, criminal usurpation and use of his law front, for his patterned and practice murder by proxy programming. Regional Killer Boyden Gray is criminally and maliciously using his law office front and his above documented financial regulation disguise for criminally usurping control over NYS agencies, hospitals and banks, for his: malicious and retaliatory prosecutions, eugenic assassination and murder by proxy programming's and for his betray the NYS and Federal Constitutions management.

In this matter, Regional Killer Boyden Gray's criminal senile and name aligned, PLAUSIBLE DENIABILITY AND BETRAY THE CONSTITUTION ORGANIZED FRAUD HATE CRIMES are evidenced via:

- ⇒ An unsigned, meritless, no affidavit, no tax assessment, no evidence anywhere, unauthentic, obstruction of NYS laws, counterfeit tax warrant, which was and is being used as the precursor for
- ⇒ Multiple NYS, fraud in the inducement, unauthored, unsigned, meritless, no affidavit, unauthentic, obstruction of NYS laws, counterfeit NYS DMV driver license suspensions orders, which was and is being used as the precursor for
- ⇒ The signed and further, fraud in the inducement, NYPD no probable cause, further misrepresentations, concealed and omitted defective police device, falsified police record tickets.

The NYS Department of Taxation, the NYS DMV and the NYPD falsified business records attached and noted above each exemplify:

- 18 USC 1001 FALSIFICATION OF DOCUMENTS
- 18 U.S.C. §1030: (A)(4): FALSIFICATION OF COMPUTER RECORDS
- ARTICLE 175 – OFFENSES INVOLVING FALSE WRITTEN STATEMENTS
- 175.10 FALSIFYING BUSINESS RECORDS IN THE FIRST DEGREE.
- 175.35 - OFFERING A FALSE INSTRUMENT FOR FILING IN THE FIRST DEGREE
- 175.45 - ISSUING A FALSE FINANCIAL STATEMENT
- 18 U.S. CODE § 1028 - FRAUD AND RELATED ACTIVITY IN CONNECTION WITH IDENTIFICATION DOCUMENTS, AUTHENTICATION FEATURES, AND INFORMATION
- FDCPA § 1692 E(13) DOCUMENTS ARE LEGAL PROCESS WHEN THEY ARE NOT

The NYS Tax Commissioner, Amanda Hiller used a false identification document, the attached counterfeit and unsigned tax warrant to begin Regional Killer Boyden Gray's murder by proxy programming, including the criminal use of the NYS counterfeit tax warrant for the ordering of the falsified driver license suspensions. Amanda Hiller knew that her NYS unsigned and counterfeit tax warrant was produced without lawful authority and with no probable cause, supported by oath or affirmation, which means verified material evidence signed under penalties of perjury. She knew that her NYS counterfeit tax warrant and her tax claims had no probable cause and were merely hearsay.

She criminally used her NYS counterfeit tax warrant concoction and her hearsay tax claims, for frivolous positioned injunctions of the DMV which effectuated the frivolous positioned injunction of the NYPD. She did so for the current murder by proxy programming, described above and attached in DMV frivolous, meritless, no probable cause, malicious prosecutions. Please see exhibits 1 and 2, repeated murder by proxy programming's inflicted on me, while Regional Killer Boyden Gray is replicating the programmed killings of massive amounts of more healthy people in New York, Washington DC, and wherever he can get his killings from, using this program, similar betray the Constitution programs, and his name aligned Covid 19 healthcare, induce hospitalization prepaid hospital killing projects.

The three agencies, the NYS DMV, The NYS Tax Commissioner agency, and NYPD, in this matter, have acted as racketeer and corruption enterprises and have assaulted my God given right to be left alone for over 7 years. All of this has been done to me, while Regional Killer Boyden Gray programmed the torture and murder of my mother, father, sister and thousands of other healthy people all across the globe. The crimes must stop here as criminal senility betray the constitution NYS agency management and Regional Killer Boyden Gray's use of NYS agencies for murder by proxy must be stopped.

Finally, to each of the above criminal justice, FBI, NYS Governor, Attorney General, NYC Mayor, NYS DMV, NYS Tax, all Judicial, and NYPD "officers of the law", established by your oath of office, you have the lawful authority to stop these Regional Killer Boyden Gray name aligned betray the constitution hate crimes and killings, please do so.

These crimes would not exist, if Amanda Hiller's NYS unsigned and counterfeit tax warrant and her hearsay tax claims were barred and sanctioned. Where specifically in the Constitutions is her authority for her tax unsigned and unauthenticated warrant concoction and her hearsay tax claims, with no affidavit or evidence anywhere? If there is none then, make this deadly and corrupt, betray the NYS and Federal Constitutions, "Cease and Desist."

All public officials' oath of office state you will support the state and federal Constitutions of the United States of America. If support, then make these repeated, name aligned, Regional Killer Boyden Gray, betray the constitution, programmed killings, crimes and unconstitutional acts stop, so proper governance will be used to execute Regional Killer Boyden Gray's criminal use of NYS agencies for his criminally senile, murder by proxy programming's.

In closing, the law is clear, and such is invoked, any ordinance, resolution, by law, rule, regulation, or order of any governing body or any corporation, board, or number of persons shall not be inconsistent with the Constitution and laws of the United States.

I am optimistic that the opportunity exists to comply with and return to Constitutional governance as established by Oath of Office, The Performance Bond, the Supremacy Clause and the Equal Rights Amendment, all of which uphold "the right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated..."

Please note, November 25, 2020, the United States Supreme Court in the Roman Catholic Diocese of Brooklyn, New York v. Andrew M. Cuomo, Governor of New York: Case 20A87 ruled: "But even in a pandemic, the Constitution cannot be put away and forgotten."

The below crimes summarize the crime inflictions in this matter. Please stop the use of the NYS DMV NYS Tax Department and the NYPD for the below deadly crimes.

- 18 USC SEC 371 CONSPIRACY TO OFFEND AND DEFRAUD THE UNITED STATES,
- 18 USC SEC 2383 INSURRECTION AGAINST THE CONSTITUTION BY INCITING, ASSISTING, AND ENGAGING IN REBELLION AGAINST THE CONSTITUTIONAL AUTHORITY OF THE UNITED STATES OF AMERICA,
- 18 USC SEC 2384 SEDITION/SEDITIOUS CONSPIRACY BY CONSPIRING TO OVERTHROW THE CONSTITUTIONAL GOVERNMENT OR DELAY THE EXECUTION OF A LAW OF THE UNITED STATES OF AMERICA,
- U.S. CODE TITLE 10, SECTION 333, INTERFERENCE WITH STATE AND FEDERAL LAWS,
- 18 U.S.C. SEC. 1962 ADVOCATING OVERTHROW OF GOVERNMENT,

Please stop Regional Killer Boyden Gray's over 50 years of name aligned programmed killings, infestations and organized fraud hate crimes, with no penalties, for his criminal senile satanic killing requirements in exchange for wealth and power. He has criminally enjoined the above 3 NYS entities in this over 7 years, malicious prosecution and unconstitutional driver license seizure matter for his additional murder by proxy programming's, his name aligned betray the constitution management, and his induce poverty financial deregulation crimes, to create easy eugenic assassination prey.

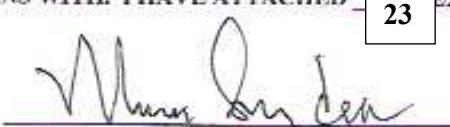

On behalf of the sanctity of life, please stop these crimes, plotted and programmed killings, before Regional Killer Boyden Gray expands his criminal use of government and hospital agents, to kill public officials, like he is doing to civilians, without penalties, yet. He has rightfully earned the death penalty, and such will be sought in a constitutionally created criminal justice forum.

I invoke, New York Consolidated Laws Civil Practice Law & Rules Article 8303-A - Costs upon frivolous claims and counterclaims in actions to recover damages for personal injury and injury to property. I further invoke this section for wrongful death if anything happens to me under these criminal, unauthorized, meritless, and conspiracy against rights, conspiracy to murder, NYS DMV unauthorized driver license seizures. I invoke such in conjunction with the counterclaim submitted with my answer to the two falsified police record tickets inflicted on me with no probable cause for any police stop, submitted to the NYS DMV multiple times and posted at:

Please stop Regional Killer Boyden Gray's over 50 years of name aligned programmed killings, infestations and organized fraud hate crimes, with no penalties, for his criminal senile satanic killing requirements in exchange for wealth and power. He has criminally enjoined the above 3 NYS entities in this over 7 years, malicious prosecution and unconstitutional driver license seizure matter for his additional murder by proxy programming's, his name aligned betray the constitution management, and his induce poverty financial deregulation crimes, to create easy eugenic assassination prey.

On behalf of the sanctity of life, please stop these crimes, plotted and programmed killings, before Regional Killer Boyden Gray expands his criminal use of government and hospital agents, to kill public officials, like he is doing to civilians, without penalties, yet. He has rightfully earned the death penalty, and such will be sought in a constitutionally created criminal justice forum.

I invoke, New York Consolidated Laws Civil Practice Law & Rules Article 8303-A - Costs upon frivolous claims and counterclaims in actions to recover damages for personal injury and injury to property. The Fourth Amendment of the United States Constitution

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by Oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

TAGS:

The Fifth and Fourteenth Amendments of the United States Constitution limit the power of the federal and state governments to discriminate. .

The **Fifth Amendment** has an explicit requirement that the Federal Government not deprive individuals of "life, liberty, or property," without due process of the law and an implicit guarantee that each person receive equal protection of the laws.

The **Fourteenth Amendment** explicitly prohibits states from violating an individual's rights of due process and equal protection. Equal protection limits the State and Federal governments' power to discriminate in their employment practices by treating employees, former employees, or job applicants unequally because of membership in a group, like a race, religion or sex. Due process protection requires that employees have a fair procedural process before they are terminated if the termination is related to a "liberty," like the right to free speech, or a property interest.

What violates the 4th Amendment?

For example: An arrest is found to violate the Fourth Amendment because it was not supported by probable cause or a valid warrant. Any evidence obtained through that unlawful arrest, such as a confession, will be kept out of the case

GRAY: New York's Discriminatory Policies are Immoral and Unlawful, Jan. 19, 2022

<https://boydengrayassociates.com/gray-new-yorks-discriminatory-policies-are-immoral-and-unlawful-jan-19-2022/>

Former White House Counsel C. Boyden Gray sent two letters to New York on Tuesday on behalf of the Project on Fair Representation and the Alliance for Fair Board Recruitment, denouncing racially discriminatory policies.

The first letter, on behalf of the Project on Fair Representation to **New York Department of Health Acting Commissioner Mary T. Bassett**, warned the Department about serious legal problems in the Department's **new** racially discriminatory guidance on the prioritization of COVID-19 treatments. The letter notes that, according to the Department's December 29th guidance, "Non-white race or Hispanic/Latino ethnicity should be considered a risk factor, as longstanding systemic health and social inequities have contributed to an increased risk of severe illness and death from COVID-19."

Michael Buschbacher, an attorney at Boyden Gray & Associates said, "New York's racially discriminatory treatment plan reads like something from the pages of a 1920s racialist newsletter claiming that 'whites' are somehow inherently more resistant to disease than members of other races. This **pseudo-scientific claptrap** is wrong and immoral. The shortage of COVID-19 therapeutics is bad enough—New Yorkers of all races deserve better than having these lifesaving treatments rationed based on the color of their skin."

UNFAIR NY DMV PRACTICES DURING COVID-19

To stop the spread of COVID-19, the New York Department of Motor Vehicles (DMV) implemented several safety measures. However, one particular measure is allegedly hurting motorists but helping law enforcement officers.

Phone-in testimonies have become a recent method of operating NY traffic courts.

New York DMV Sued Over 'Speakerphone Justice'

BY KATHLEEN CULLITON | NEW YORK CITY
PUBLISHED 4:41 PM ET SEP. 01, 2020

NEW YORK CITY — A controversial coronavirus policy that allowed cops to phone in their testimony to Department of Motor Vehicles courtrooms has been challenged by a new lawsuit from outraged trial lawyers.

The Association of Motor Vehicle Trial Attorneys filed last week a lawsuit demanding the state's DMV halt a novel coronavirus safety precaution the attorneys say is making millions at the expense of their clients' constitutional rights.

"They said they're doing it for safety reasons," said AMVTA president and attorney Matthew Weiss. "We're saying be safe, but you can't dispense with fairness."

The Traffic Violations Bureau for weeks has been allowing police officers to submit testimony via telephone while ticketed drivers must appear in court to dispute the claim, [NY1 reported](#) last month.

The DMV did not immediately respond to NY1's request for comment, but in August explained the policy was put in place to prevent the spread of COVID-19 by limiting contact with officers who had, at one time, a higher rate of spread.

"For everyone's safety, neither law enforcement nor motorists are required to appear in person," a DMV spokesperson said.

"If an officer fails to appear by phone or provide sufficient evidence to sustain the charge against the motorist, cases are dismissed just as they always have been."

AMVTA, a nonprofit association of about 50 traffic court lawyers, estimates thousands of tele-hearings, during

Dear Above Noted Criminal Justice Authorities:

I am submitting this Motion to Dismiss and Affidavit in Support to each of the public officials above. Your professionalism is needed. I seek justice and enforcement of equal protection of the law.

Regional Killer Boyden Gray is a regional killer programming massive assassination out of the executive branch of government. He programmed this entire matter and he is programming the killing of many healthy and innocent Americans, using similar master deception police set ups.

He has killed millions of people under multiple disguises and programming's. Please see the reference section. He is a top leader in the Covid killings. Please see pages 38-49, in the below link. He is trying to have me killed. He and NYPD Police Commissioner Shea programmed three no probable cause police stops. It is by God's grace and mercy; I am still here.

The third criminal, no probable cause, no affidavit, no reason, harassment police stop, the officer wrote two fictitious tickets. I seek to have these two no probable cause police stop tickets dismissed as a matter of constitutional law. Your help is needed, as Regional Killer Boyden Gray is criminally usurping and micromanaging many NYC agencies and is doing so for his assassination programming's. Please see the below linked, Regional Killer C. Boyden Gray, deadly and at the highest health level, eugenic assassination micromanagement programming:

NOVEMBER 3, 2021 VERIFIED CRIMINAL COMPLAINT, MARY BASSETT RE-APPOINTMENT AS NYC PUBLIC HEALTH COMMISSIONER AND HER NAME ALIGNMENT AND TIES TO EUGENIC ASSASSINATION PROGRAMMING AND REGIONAL KILLER BOYDEN GRAY'S EUGENIC ORGANIZED MURDER PROGRAMMINGS, SEE THEIR COVID ASSASSINATION PROGRAMMING AT THE HIGHEST NAME ALIGNED LEVELS AT PAGES 38 TO 48 AT:

Please stop Regional Killer Boyden Gray's eugenic and plotted killing of healthy people today. In this matter, Regional killer Boyden Gray is using this no probable cause police stop to criminally usurp my good-standing driver's license, again, as part of his assassination programming. He has recently criminally usurped \$22,000.00 off my credit accounts. Please see the reference section links. He programmed the eugenic killing of my mother, father and sister. His programmed killings are no longer secret. They must be stopped,

He is hiding out of the executive branch of government programming eugenic assassinations all over for his satanic killing requirements for wealth and power. He has criminally usurped control in the executive branch of government. He is using defraud authority from the executive branch, to program his eugenic assassinations. In the above links, you will see his NYS eugenic assassination programming at the NY Commissioner of Health level. The man needs to be put away from humans.

He is working in NYPD setting up police and civilians to be killed under many disguises. Please see his cop killer in management and mentor positions, disguised as police reform in exhibits 20-21. He has stalked me and criminally lynched my money for the last 20 years. Induced poverty creates vulnerable populations for him to kill easier. Since not stopped, his theft of my money crimes has continued with no penalties. Professional help is needed in stopping this Killer.

Please enforce the laws of the land and institutionalize regional killer Boyden Gray for the regional killer who he is. In the meantime, please read the attached Motion to Dismiss and please use your positions to make sure equal protection of the law is paramount and prioritized, in this matter. I have been brutally victimized by Regional Killer Boyden Gray's assassination programming criminally using the judiciary, DMV, and other entities. I seek a call to be made to Regional Killer Boyden Gray to leave me, my money, my driver's license, my cars, my credit, and my life alone and arrest him, please, on behalf of public safety.

I seek the apprehension of Regional Killer Boyden Gray on behalf of human life and dignity. He is programming massive infestations and killings from the executive branch of government, using defraud authority. Professional NYS and the USA constitutional public servant oath binding assistance is needed for the enforcement of equal protection of the law. Please read, monitor and supervise the equal justice handling of the attached Motion to Dismiss. Thank you.

Respectfully submitted,

MOTION TO DISMISS

COMES NOW, MIRIAM SNYDER, Affiant and Budget Rental Car Renter at the time of the incident, moves the hearing by mail administrative process for dismissal of the attached two unconstitutional, no probable cause, police stop, false ticket claims pursuant to CPLR § 3211.

The Affiant moves by this Motion to Dismiss, the exhibits attached, the Affidavit in Support and the Counterclaim, , as an Answer to the attached two false and unconstitutional police tickets. The unconstitutional and false police tickets are false and unconstitutional, because there was no probable cause and affidavit supporting the harassment police stop. Furthermore, I, MIRIAM SNYDER, submit this motion to dismiss for the reasons set forth in this Motion, affidavit and the exhibits.

This case is about repeated random police harassment stops of motorist Miriam Snyder in the absence of specific articulable facts which justify the police stops by indicating a reasonable suspicion that a violation of the law has occurred. This case shows criminal police management, in the criminal setting up of police officers to stop motorists to harass and intimidate, as well as invoke constitutionally impermissible NYPD police practices, that are violative of the Fourth and Fourteenth Amendments to the United States of America Constitution.

In summary, this case is about the criminal use of NYPD officer Urman for a random harassment and no probable cause police stop and the covering up of this no probable cause police stop, by concealing from the record and the false tickets, that the police officer criminally used a planted defective police device, as authority, to try to justify the police stop, by indicating that a defective device police stolen car reader creates reasonable suspicion that a violation of the law has occurred. When in all reality, defective police devices should be banned and checked before released to police officers to use, as defective police devices can land innocent police and civilians dead, under the guise of negligent and criminal police management. See exhibit 4, the concealed defective police device criminally used as authority to stop me by a stranger with a gun.

Affiant Miriam Snyder was stopped solely for the purpose of harassment, by a foreigner with a gun, for documents check, which is an unreasonable and unconstitutional detention for being stopped in the vehicle.

This was the third time the NYPD police were criminally ordered by Regional Killer Boyden Gray and NYPD lawless Police Commissioner Dermot Shea, to stop me with no constitutionally required probable cause and affidavit. Please see exhibit 5, with links to the other malicious, dangerous, life threatening, illegal and unconstitutional, police stops under the same repeated guise of a NO EVIDENCE ANY WHERE stolen rental car.

The NYPD police are being criminally used to retaliate and harass Affiant and good-standing Motorist Miriam Snyder, on behalf of Regional Killer Boyden Gray and Police Chief Shea. They have ordered the police to criminally stop me repeatedly because I am a woman, black, and whistleblower of NYS unregulated eugenic assassination programming's, that both Regional Killer Boyden Gray and NYPD Police Shea are name aligned to. Please see exhibits 20-22.

Please read some of the whistleblowing verified complaints linked in the reference section. They are very informative.

Consequently, this third time harassment police stop was different. Two falsified tickets were rendered to try to create reason to induce me in the police system and threaten my God given and liberty right to travel safely and exercise my first Amendment right of free speech regarding critical issues of public safety.

This no probable cause police stop was inflicted to abuse power, harass, set me up, criminally put me in life threatening harm's way and put me in a murder by proxy setting. The NYPD police are being criminally used, set up, and killed for NYPD Police Chief Shea and Regional Killer Boyden Gray, satanic cult, personal gain, power and wealth illusions, as exemplified in the cop killer police reform programs attached as exhibit 20-22.

Affiant moves the hearing by mail administrative court process for dismissal of ALL claims pursuant to CPLR § 3211.

1. The Affiant's grounds for dismissal include:

- A. CPLR Rule 5015 section a3 - misrepresentation, or other misconduct of an adverse party. There was no probable cause for the police stop. The Constitution, through the Fourth Amendment, protects people from unreasonable searches and seizures by the government. It was unreasonable under the law to stop and ticket me because Affiant did nothing to warrant the harassment police stop. [The Fourth Amendment of the United States Constitution](#) states:

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by Oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

- B. CPLR Rule 5015 section a3 – misrepresentation: There was no probable cause supported by oath or affirmation, as required under the fourth Amendment for the police stop. The ticket is defective and is not properly verified by Affirmation under Penalty of Perjury by and as such must be stricken from the court record as it is not admissible as evidence under the F.R.E. and New York Rules of Evidence and Uniform Rules § 202.12-a(f) due to the lack of any Fact Testimony under Oath.
- C. CPLR RULE 5015 Section a4 - lack of jurisdiction to render any judgment or order. There is no jurisdiction over the person or over the subject. There is no injured or real party in interest, no standing and no capacity. Affiant was not engaged in for hire Transportation and was not engaged in extraordinary use of the highway for profit or gain. Consequently, Affiant was traveling outside the jurisdiction of the Division of Motor Vehicles. Any assumption of jurisdiction over Affiant and or her property will violate Affiant's due process rights secured under the constitutions of New York State and The United States of America. Furthermore, the administrative body, acting as the court, assumption of jurisdiction over Affiant will offend traditional notions of fair play and substantial justice and will be inconsistent with due process of law. These are some of the reasons, this matter must be dismissed.
- D. Affiant invokes The Fifth and Fourteenth Amendments of the United States Constitution which limit the power of the federal and state governments and do not allow discrimination or any concocted deviation from the equal protection of the laws. The no probable cause police stop was for harassment purposes because Affiant is a woman, black and a whistleblower. The Fifth Amendment has an explicit requirement that the Government, specifically police officers, not deprive individuals of "life, liberty, or property," without due process of the law and an implicit guarantee that each person receive equal protection of the laws. The no probable cause and harassment with a gun police stop denied Affiant liberty rights and could have landed her or a police officer dead by these criminal police set ups from the top.
- E. Affiant Invokes The Fourteenth Amendment which explicitly prohibits police officers from violating an individual's rights of due process, probable cause, an affidavit, and equal protection.
- F. Affiant Miriam Snyder invokes, protections in the NYS Constitution, Sections 11 and 12. Section 11 states: The Equal Protection of Laws; Discrimination in Civil Rights Prohibited, no person shall be denied the equal protection of the laws of this state or any subdivision thereof. No person shall, because of race, color, creed or religion, be subjected to any discrimination in his or her civil rights by any other person or by any firm, corporation, or institution, or by the state or any agency or subdivision of the state. The police false tickets obstruct sections 11 and 12 of the NYS Constitution by the police officer writing two fraud tickets, that are premised on concealment fraud, and designed to obstruct the constitutional protections against no probable cause police stops. Again, Affiant did nothing to warrant the police stop, and was harassed and stopped by the police because it was hit, and because she is a woman, black, and a whistleblower.

Section 12 states people protections: Security Against Unreasonable Searches, Seizures and Interceptions
The right of the people to be secure in their persons, houses, papers and effects, against unreasonable
searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause,
supported by oath or affirmation. THERE WAS NO CONSTITUTIONAL PROBABLE CAUSE AND
NO OATH OR AFFIRMATION FOR THE HARASSMENT POLICE STOP. The no probable cause and
no affidavit police stop, was for provocation and as such two falsified no probable cause and no affidavit
tickets were created by Officer Urman for vexation. One false ticket is for UNLICENSED GT and the
other false ticket is for FLD COMPLY WITH UNKNOWN ORD.

THE HEARING WILL BE HELD AT LEAST 2 WEEKS PRIOR TO THE SCHEDULED DATE.			
TICKET #	VIOLATION DESCRIPTION	VIOL. DATE	REASON
ABD9735065	UNLICENSED GT 60DAYS	05/05/20	OFFICE
ABD9735076	FLD COMPLY WITH ORD	05/05/20	OFFICE
IF YOU CHOOSE TO APPEAR AT THE HEARING, PLEASE BE ADVISED THAT YOU ARE NOT REQUIRED TO PAY THE FEE FOR APPEARING.			

- G. CPLR Rule 5015 section a3: The police false tickets exemplify deceit, misrepresentations, fraud, concealment, frivolous filings, and misconduct and must be dismissed pursuant to the above noted NYS and Federal Constitutional requirements, and pursuant to NYS CPLR Rule 5015 section a3 as summarized below.

The deceit is exemplified in the fact that there was no probable cause for the police stop and the police officer wrote the false tickets as if he had constitutional authority, reason and or probable cause for the police stop and false tickets.

- H. CPLR Rule 5015 section a3: The police officer misrepresentation and concealment are exemplified in Exhibit 4 which is a picture of the harassing police officer and his defective police stolen car reader. The officer apologized for his stolen car reader being defective. He apologized for stopping me while in a legitimate, no probable cause, non-stolen, Budget rental car and then threw the two false tickets at me and ran back to his car. The two false tickets misrepresented and concealed the police officer's defective device. The police officer invoked a criminal and malicious scheme to defraud when he wrote two false tickets and concealed the fact that he had a defective device and tried to use his defective stolen car device to create non-existent probable cause for the stop. Again, Affiant did nothing to warrant the police stop and the falsified police tickets.
- I. CPLR Rule 5015 section a3: The police officer's misrepresentations, fraud, and concealment are exemplified in Exhibit 4, this is a picture of the police officer's defective device. After the officer apologized for stopping me with no probable cause, I asked for a picture of the officer's defective stolen car device for evidence of these ridiculous and harassing police stops. I told alleged Officer Urman that it is not the responsibility of civilians to check police devices before they are used. Defective police devices can land innocent police and civilians dead. They should not be in use in the police force as the validity of the device should have been checked before it was released to the police officer. Checking the validity and accuracy of police devices, before the device is used will stop no probable cause police stops and can prevent murder by proxy programming by LAWLESS POLICE MISCONDUCT management.

Defective police and medical devices are a Regional Killer Boyden Gray criminal usurpation mastermind for killing innocent people under the disguise of a defective device, with no penalties. Please see exhibit 4, the alleged police officer's defective device and please see exhibits 15A – 15C, these are Regional Killer Boyden Gray name aligned counterfeit and defective devices. The NYS counterfeit respirator is used to label live people dead. This eugenic defective weapon needs to be banned. My father was labeled dead, while alive with this Regional Killer Boyden Gray name aligned defective NYS respirator. Defective police devices and defective medical devices are being criminally used all across NYS to get Regional Killer Boyden Gray and his cult member's their required satanic killings, in exchange for wealth and power, like their trillion dollar Covid concoction and killings.

J. CPLR Rule 5015 section a3, MISREPRESENTATION: In addition, to the attached NYPD defective stolen car police reader, the attached NYS counterfeit and defective respirator, this satanic cult also has a defective NYS Tax warrant. This defective device is used for killing people too. Please see exhibits 15A TO 15C, the attached, unsigned, no authority, no affidavit, no summons, no complaint, unauthored, NYS counterfeit and defective Tax warrant. This criminal, no authority, no signature tax warrant, is used to induce heart attacks on seniors by using such to steal their homes and properties under the disguise of a NYS non validated tax lien. This defective device, with no signature and no authority, is criminally used to sabotage/suspend good-standing driver licenses and criminally, through misrepresentation, created unlicensed GT 60 days false tickets.

K. CPLR Rule 5015 section a3, CRIMINAL MISCONDUCT: The attached defective NYS Tax Warrant, which effectuates, a defective and unauthorized driver license seizure, coupled with the attached defective police stolen car reader, and the attached defective and counterfeit NYS respirator, are all, NYS Regional Killer Boyden Gray eugenic assassination programming tools, funneled in NYS agencies, for killing innocent police and civilians, for his satanic cults killing requirements, in exchange for earthly wealth and power.

I know of these defective devices, killing and management programs because I was victimized from each one of them and I have witnessed the killing of innocent people by the criminal insane management of defective devices in NYS agencies, for the purpose of no penalty murder.

L. CPLR Rule 5015 Section A3, MISCONDUCT, OFFENSES AGAINST PUBLIC ORDER AND CRIMINAL ANARCHY: The police false tickets exemplify deadly misconduct and must be dismissed pursuant to the above noted NYS and federal constitutional requirements, and pursuant to NYS CPLR rule 5015 section a3. The police officer's defective device stolen car reader lands people dead for the enforcement of unconstitutional police stops. It is a counterfeit device that does not belong in the police department, as its purpose is to induce PENAL LAW ARTICLE 240.00 OFFENSES AGAINST PUBLIC ORDER AND NYS PENAL LAW ARTICLE 240.15 CRIMINAL ANARCHY. THE DEFECTIVE POLICE STOLEN CAR POLICE READER IS BEING CRIMINALLY USED TO SET UP AND COVERTLY KILL INNOCENT POLICE AND CIVILIANS BY UNREGULATED SATANISTS AND EUGENIC ASSASSINATION PROGRAMMERS IN THE NYPD CHIEF OF POLICE HIGH PLACES.

M. CPLR Rule 5015 Section A3 FRAUD, MISREPRESENTATION, ILLEGALITY, VIOLATIONS OF LAW, AND OTHER ILLEGALITIES: In this matter, multiple police corruption and assassination by proxy incidents were criminally programmed. But God! The attached two false police ticket business records exemplify the ramifications from Regional Killer Boyden Gray's public corruption programming via replicated criminal use of the NYC police chief's office to order and program lower level police officers to retaliate, terrorize, and harass me via multiple no probable cause police stops and falsified police report business record concoctions. THE TWO ATTACHED FALSIFIED POLICE TICKETS ARE CRIMINAL SCHEMES TO DEFRAUD AND EXEMPLIFY FALSIFIED BUSINESS RECORDS. OFFICER URMAN, UNDER THE AUTHORITY AND ORDERING OF NYPD CRIMINAL POLICE SHEA, IN THIS MATTER, THEY HAVE BOTH BEEN USED TO COMMIT CRIMINAL OFFENSES EMBEDDED IN:

- 18 USC 1001 FALSIFICATION OF DOCUMENTS
- 18 U.S.C. §1030: (A)(4): FALSIFICATION OF COMPUTER RECORDS

N. CPLR Rule 5015 Section A3: MISREPRESENTATION, UNCONSCIONABILITY, LACK OF DUE SERVICE, VIOLATIONS OF LAW, AND OTHER ILLEGALITIES THAT AFFIANT HAS NOTHING TO DO WITH: The hearing date was changed by the police and DMV. Affiant timely filed a dispute against this police fraud and requested a timely hearing. Please see exhibit 3.

Affiant objects to delayed due process, non-compliance with due process procedures, all unconscionability hearing scheduling and being denied a speedy trial as the NYS DMV scheduling administrations and management, are in contravention to the constitution. The DMV and police conspired rescheduled hearing date, exhibits 2 and 3, violate the 70 days rule to a speedy trial and violates the sixth amendment which gives Affiant the right to a 'speedy trial. The U.S.A Congress passed the speedy trial act which sets a time limit of 70 days from the filing date of the falsified police tickets, unless waived. I do not waive any rights, and object to this over one year and half date for exterminating these falsified police tickets, that should have been stopped and corrected in a timely manner secured in the 6th amendment.

O. CONCLUSION

In summary, the minute police officer Urman noted his stolen car detector was defective, and noted the Budget rent a car was not stolen, Affiant should have been left alone. Instead, under Regional Killer Boyden Gray and Police Chief Shea, patterned and practiced, conspiracy against rights of civilians and police, lawless police management, disregard for law and order, criminal insanity, no constitutional probable cause for the police stop, falsified police tickets erupted. This was the third inflicted NYPD no probable cause harassment police stop. This is Regional Killer Boyden Gray criminal use of NYPD for his assassination programming. Please see exhibit 23 which is Regional Killer Boyden Gray's criminal use of the Hempstead Public School District for documented assassination programming of me.

Regional Killer Boyden Gray has brought his unregulated assassination programming to the NYPD and many other NYS agencies. His assassination programming's specialize in plotted gross negligence, funneled in defective devices, deceptive business practices, false business records, and inflicted aggravated harassment, before his programmed killings. He is working with NYPD Commissioner Shea. Currently, they are both criminally programming the criminal use of cop killers in management and trainee positions, to kill targeted police officers, under the guise of police reform and unaccounted dead police. Please see exhibits 20-22.

In this matter, they have criminally and repeatedly used lower level police for aggravated harassment and betray the constitution management, leading to their assassination programming. Killing innocent and healthy people is part of their requirements for their satanic cult's wealth and power benefits. Using the police department, as an excuse for killing is their perfect disguise and easy way to meet their wealth, riches and power satanic benefits.

Police Officer Urman, Lawless Police Chief Shea and Regional killer Boyden Gray have deliberately invoked 18 USC 241, a conspiracy against rights, 18 USC Sec 2383 Insurrection Against The Constitution By Betraying The NY And Federal Constitutional probable cause and affidavit, protections, and have obstructed the supreme maxim of law over the land, which is the safety of the people. Please see pages 9 and 10 below:

THE SAFETY OF THE PEOPLE IS THE SUPREME MAXIM OF LAW OF THE LAND PAGES 9 AND 10 AT:

<https://giftontruth.files.wordpress.com/2017/06/maxims-of-common-law-jurisdictionary.pdf>

Regional Killer Boyden Gray is using his criminally usurped executive branch police reform position for NYPD and global police assassination programming's, using defective police devices, gross negligence, betray the state and USA constitutions, falsified police business records, and master deception business practices from the top. Please see exhibits 3, 4, 15A-15C, 18, 20-22 and 24.

NYPD Commissioner Shea is allowing Regional Killer Boyden Gray to micromanage NYPD for them to meet their plotted and programmed unaccounted police and civilian killings. Please see exhibit 22. Both Regional Killer Boyden Gray and NYPD Commissioner Shea have used their public servant, constitutional oath of office positions, for betray the Constitution and eugenic assassination programming's, with no penalties, yet. They have exemplified malfeasance in office, corruption, neglect of duty, treasonous acts of aiding and abetting foreign enemies/demons and criminals. They have acted as foreign agents and have invoked the appearance of active membership in a subversive and deadly organization, with specific intent to overthrow the government and use counterfeit laws, defective devices, fictitious business records, and betray the constitution management, to injure, assault and kill members of the human race.

In closing, the no probable cause police stop falsified tickets have no standing, no jurisdiction, no authority, no probable cause, no certification, and there is no valid evidence to prove the elements necessary to state the claims alleged. In the commencement of justice in this matter, the administrative official, must dismiss this Police corruption, organized fraud, revenge for hire, discrimination, domestic terrorism, and criminal abuse and misuse of lower level police. Thank you for your time.

MEMORANDUM OF LAW ON THE PROBABLE CAUSE REQUIREMENT FOR POLICE STOPS AS ESTABLISHED BY THE SUPREME COURT OF THE UNITED STATES

THERE IS NO VEHICLE TRAVEL LAW THAT CAN LAWFULLY CIRCUMVENT THE PROBABLE CAUSE REQUIREMENT AS ESTABLISHED BY THE SUPREME COURT OF THE UNITED STATES IN

TERRY V. OHIO, 392 U.S. 1, 20 L.ED.2D 889, 88 S.C.T. 1868 (1968).

"We hold these truths to be self-evident, that all men are created equal; that they are endowed by their Creator with certain unalienable rights; that among these are, life, liberty, and the pursuit of happiness; that to secure these rights, governments are instituted among men" New York constitution, April 20, 1777.

"A crime is an inexcusable act committed by an individual in excess of his personal liberties and injures person or property within the victim's personal freedom or property right." "What is liberty or freedom?"

"This freedom and liberty of man should be absolute with the one exception-that when the exercise of that liberty infringes upon the liberty of another, the actor invading another's liberty commits a wrong and to protect individuals from that invasion, society may class such invasion as crime, and provide for punishment." People v. Douglas, 202 N.Y.S.2d. 160, 162-163.

An analysis of standing begins with a determination of whether the party seeking relief has sustained an injury (see Society of Plastics Indus. V. County of Suffolk, 77 N.Y.2d 761, 772-773, 570 N.Y.S.2d. 778, 573 N.E.2d. 1043 [1991])." Mahoney v. Pataki, 772 N.E.2d. 1118, 1122 (N.Y. 2002).

"A plaintiff has standing to maintain an action upon alleging an injury in fact that falls within his or her zone of interest." Silver v. Pataki, 755 N.E.2d. 842, 847 (N.Y. 2001).

"As we have on occasion to observe in recent years, "[o]nly where there is a clear legislative intent negating review * * * or lack of injury in fact * * * will standing be denied..." Matter of Dist. Atty. Of Suffolk County, 448 N.E.2d. 440, 443 (N.Y. 1983).

"To adjudicate upon, and protect the rights and interests of individual citizens, and to that end to construe and apply the laws, is the peculiar province of the judicial department...The judicial power "is the power to hear and determine those matters which affect the life, liberty, or property of the citizens of the state." (City of Sapulpa v. Land, 101 Okl. 22, 223 P. 640, 644, 35 A.L.R. 872, 878.)" Nash v. Brooks, 297 N.Y.S. 853, 855-856.

EXHIBIT 8

MEMORANDUM OF LAW ON TRAVEL RIGHTS SECURED BY THE CONSTITUTION AND THE PROBABLE CAUSE REQUIREMENT FOR POLICE STOPS AS ESTABLISHED BY THE SUPREME COURT OF THE UNITED STATES

U.S. Supreme Court decisions:

"Where rights secured by the Constitution are involved, there can be no rule making or legislation which would abrogate them."

Miranda vs. Arizona, 384 US 436, 491

"The State cannot diminish rights of the people."

Hertado v. California, 110 U.S. 516.

"The claim and exercise of a constitutional Right cannot be converted into a crime."

Miller vs. U.S., 230 F. 486, 489

"Undoubtedly the Right of locomotion, the Right to remove from one place to another according to inclination, is an attribute of personal liberty, and the Right, ordinarily, of free transit from or through the territory of any state is a Right secured by the Fourteenth Amendment and by other provisions of the Constitution."

Williams v. Fears, 343 U.S. 270, 274

A citizen may have, under the Fourteenth Amendment, the right to travel and transport his property upon them by auto vehicle. But he has no right to make the highways his place of business by using them as a common carrier for hire. Such use is a privilege which may be granted or withheld by the state in its discretion, without violating either the due process clause or the equal protection clause.

Packard v. Banton, 264 U.S. 140, 144[.] and Buck v. Kuykendall, 267 U.S. 307, 314 (1925).

"The assertion of federal rights, when plainly and reasonably made, is not to be defeated under the name of local practice." - Davis v. Wechsler, 263 U.S. 22, 24.

"The right to travel is a part of the liberty of which the citizen cannot be deprived without due process of law under the 5th Amendment."

Kent v Dulles, 357 U.S. 116, 125.

New York state - Article 21 General Provisions: § 21.05 Definitions.

9. "Highway" shall mean the entire width between the boundary lines of any way or place thereof is open to the use of the public, as a matter of right, for the purpose of vehicular traffic.

"Although "highway" has a broad meaning (basically including any street, city or rural), the purposes of a highway, as used in the statutory definition, are limited. In defining highway, the statute refers to "every way open to the use of the public as a matter of right for the purposes of vehicular travel. It includes those roads ... opened to the use of the public for the purpose of vehicular travel." Wis.Stat. § 340.01(22)

Schultz v. Frisby, 807 F. 2d 1339 - U.S. Court of Appeals, 7th Circuit 1986

"We hold, therefore, that a random stop of a motorist in the absence of specific articulable facts which justify the stop by indicating a reasonable suspicion that a violation of the law has occurred is constitutionally impermissible and violative of the Fourth and Fourteenth Amendments to the United States Constitution. It follows that a random stop solely for the purpose of a documents check is an unreasonable and unconstitutional detention of those in the stopped vehicle..."

STATE v. PROUSE 382 A.2d 1359, 1364 (Del. 1978)

The right to travel means, of course, the right to go from one place to another. It includes the right (1) to start, (2) to go forward on the way, and (3) to stop when the traveler's destination has been reached. To speak to the first two of these as fundamental rights without including the third would be to descend again to the absurd, and so far as the instant case is concerned that is what we have here. But we do not so limit the right. We affirm that it includes the right to stop on the way, temporarily, for a legitimate or necessary purpose when that purpose is an immediate incident to travel. So it is that the texts and authorities declare that the right to stop when the occasion demands is an incident to the right to travel, a proposition so completely self-evident that no authority is necessary to sustain it, and which we would pronounce irrefutable, had it never heretofore been mentioned.

2 Blashfield Automobile Law, Perm. Ed., sec. 1191, p. 321; Fulton v. Chouteau County Farmers' Co., 98 Mont. 48, 37 P.2d 1025; Morton v. Mooney, 97 Mont. 1, 33 P.2d 262, 263; Albrecht v. Waterloo Const. Co., 218 Iowa, 1205, 257 N.W. 183.

The RIGHTS aforesaid, being fundamental, are constitutional rights, and while the exercise thereof may be reasonably regulated by legislative act in pursuance of the police power of the state, and although those powers are broad, they do not rise above those privileges which are imbedded in the constitutional structure. The police power cannot justify the enactment of any law which amounts to an arbitrary and unwarranted interference with, or unreasonable restriction on, those rights of the citizen which are fundamental.

State v. Armstead, 103 Miss. 790, 799, 60 So. 778, Ann. Cas. 1915B, 495.

An administrative regulation, of course, is not a "statute." A traveler on foot has the same right to use of the public highway as an automobile or any other vehicle.

U.S. v Mersky (1960) 361 U.S. 431

"The right to travel freely from State to State ... is a right broadly assertible against private interference as well as governmental action. Like the right of association, it is a virtually unconditional personal right, guaranteed by the Constitution to us all."

Paul v. Virginia U.S. Supreme Court

- Other Courts -

"Undoubtedly the right of locomotion, the right to remove from one place to another according to inclination, is an attribute of personal liberty, and the right, ordinarily, of free transit from or through the territory of any State is a right secured by the 14th Amendment and by other provisions of the Constitution.

Schactman v Dulles, 96 Appellate D.C. 287, 293.

"There can be no sanction or penalty imposed upon one because of this exercise of constitutional Rights."
Snerer vs. Cullen, 481 F. 946

"Heretofore the court has held, and we think correctly, that while a Citizen has the Right to travel upon the public highways and to transport his property thereon, that Right does not extend to the use of the highways, either in whole or in part, **as a place of business for private gain.**"

Willis vs. Buck, 263 P. 1982; Barney vs. Board of Railroad Commissioners, 17 P.2d 82

"The Right of the Citizen to travel upon the public highways and to transport his property thereon, either by horse drawn carriage or by automobile, is not a mere privilege which a city can prohibit or permit at will, but a common Right, which he has under the Right to life, liberty, and the pursuit of happiness."

Thompson vs. Smith, 154 SE 579

Miranda v. Arizona, 384 U.S. 436: "Where rights secured by the Constitution are involved, there can be no rule making or legislation, which would abrogate them."

Norton v. Shelby County, 118 U.S. 425: "An unconstitutional act is not law; it confers no rights; it imposes no duties; affords no protection; it creates no office; it is in legal contemplation, as inoperative as though it had never been passed."

Miller v. U.S., 230 F.2d. 486, 489: "The claim and exercise of a Constitutional right cannot be converted into a crime."

Brady v. U.S., 397 U.S. 742, 748: "Waivers of Constitutional Rights, not only must they be voluntary, they must be knowingly intelligent acts done with sufficient awareness." "If men, through fear, fraud, or mistake, should in terms renounce or give up any natural right, the eternal law of reason and the grand end of society would absolutely vacate such renunciation. The right to freedom being a gift of ALMIGHTY GOD, it is not in the power of man to alienate this gift and voluntarily become a slave." —Samuel Adams, 1772

United States v. Sandford, Fed. Case No.16, 221 (C.Ct.D.C. 1806): "In the early days of our Republic, 'prosecutor' was simply anyone who voluntarily went before the grand Jury with a complaint."

Cooper v. Aaron, 358 U.S. 1, 78 S.Ct. 1401 (1958): "No state legislator or executive or judicial officer can war against the Constitution without violating his undertaking to support it."

TAGS:

The Fifth and Fourteenth Amendments of the United States Constitution limit the power of the federal and state governments to discriminate. .

The **Fifth Amendment** has an explicit requirement that the Federal Government not deprive individuals of "life, liberty, or property," without due process of the law and an implicit guarantee that each person receive equal protection of the laws.

The **Fourteenth Amendment** explicitly prohibits states from violating an individual's rights of due process and equal protection. Equal protection limits the State and Federal governments' power to discriminate in their employment practices by treating employees, former employees, or job applicants unequally because of membership in a group, like a race, religion or sex. Due process protection requires that employees have a fair procedural process before they are terminated if the termination is related to a "liberty," like the right to free speech, or a property interest.

What violates the 4th Amendment?

For example: An arrest is found to violate the Fourth Amendment because it was not supported by probable cause or a valid warrant. Any evidence obtained through that unlawful arrest, such as a confession, will be kept out of the case

the witnesses who is accusing the defendant of a crime, meaning he or she can see who is making accusations. The Sixth Amendment was introduced as a part of the Bill of Rights into the United States Constitution on September 5, 1789 and was voted for by 9 out of 12 states on December 15, 1791.

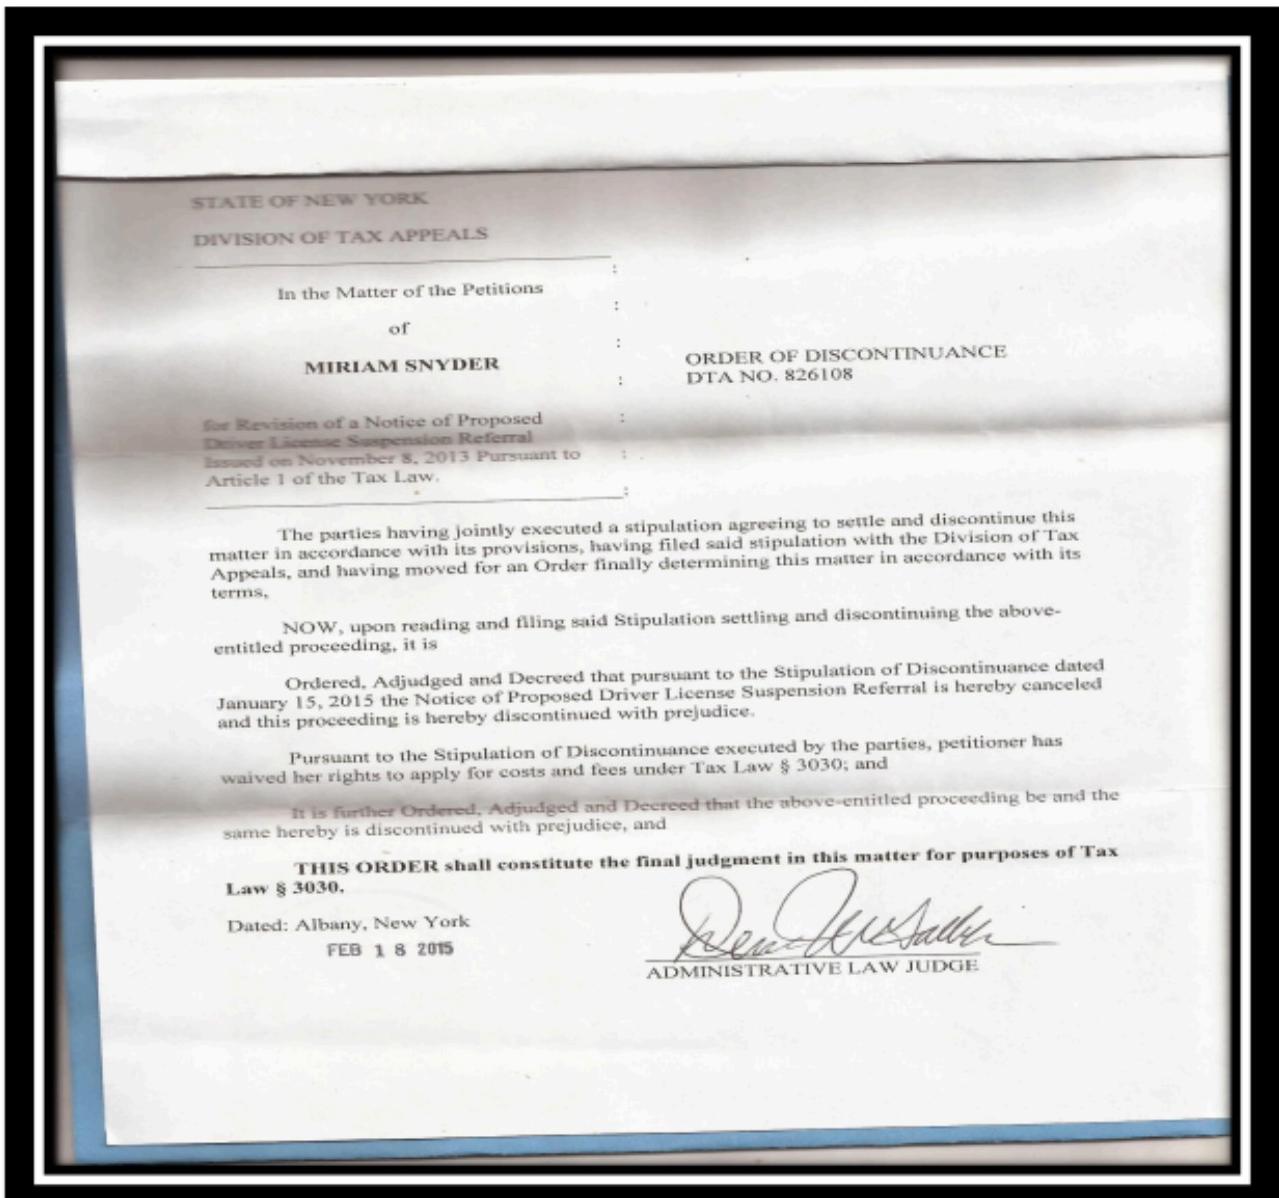

EXHIBIT 14A

MAXIM OF LAW NO ONE SHOULD BE HARASSED TWICE FOR THE SAME OFFENSE. I WAS ANTAGONIZED WITH THE NEXT PAGE NO AUTHORITY, TAX WARRANT, CRIMINALLY USED AS AUTHORITY AND CRIMINALLY SEIZED MY TRAVEL SAFETY RIGHTS **ABOUT 7 TIMES**

No one should be twice harassed for the same offense.

This maxim is similar to others that put a burden on the state to prove crimes with certainty or set the accused person free.

The state is required by principles of justice to meet its burden of proof. It can present evidence in the form of witnesses and exhibits, but it must permit the accused to present evidence that discounts state evidence. Each side presents its case in accordance with strict rules, the state going first and the accused person following with his defense. If the state fails to carry its burden to prove the crime beyond a reasonable doubt, the accused goes free. Once an accused person is set free, the state cannot again try that person for the same crime. The state had its chance and failed to carry its burden.

To give the state another "bite at the apple" would be to deny the accused his right to justice, for justice requires the state to carry its burden or acquit.

Both sides have one chance and one chance only to make their story clear. If the state fails to carry its burden of proof in the first attempt, the accused person goes free and cannot again be tried for the same offense.

The point of this maxim is common sense when viewed in light of the other maxims, for only if the state is required to carry its burden in the initial proceeding can justice be secured. Otherwise an accused person could be dragged back into court repeatedly until the state finally found a jury willing to convict. That is contrary to the principles of justice that require the accusing party to bear its burden of proof.

This maxim is embodied in the Fifth Amendment to our Constitution.

Only by adhering to maxims of law and understanding the self-evident truths on which they are based can we preserve liberty and justice for future generations, because the very nature of liberty and justice are found in maxims that are the very expressions of those virtues.

Without liberty there can be no justice.

Without justice there can be no liberty.

Without maxims we have no way of knowing which is which.

EXHIBIT 14B
MAXIM OF LAW:
THE SAFETY OF THE PEOPLE IS THE SUPREME LAW

The safety of the people is the supreme law.

One problem societies face is not knowing how to judge their laws.

What is the principal principle?

How do we recognize good laws as good, and bad laws as bad?

The maxims give us answers. Man's laws must submit to higher laws. The supreme law is that all laws must promote the people's safety. Any law that fails to promote the safety and well-being of the people is a bad law.

For example, suppose your state passed a law that authorized a particular company to transport dangerous substances in flimsy containers, and as a result people were injured. Such a law does not promote the people's safety. According to this maxim, such a law would be illegal pursuant to the *supreme* law.

Since good laws promote the people's safety, any law that fails to promote the people's safety is an illegitimate exercise of state power.

The people's safety comes first.

The prosperity of any particular industry, individual, or minority subculture within society is never more important than the safety of all peoples, and any law that promotes the prosperity of a single industry, individual, or subgroup within society to the detriment of the people themselves is illegal because it violates the supreme law that the people's safety comes first!

Too many private interest groups, political action committees, and lobbyists succeed in getting legislatures to enact laws that favor a few but are bad for people in general. The proponents of these laws argue that their private interests deserve a break or that the selected few are somehow more important than the many. These arguments violate the maxim. Laws these people seek to enact are illegal, because the people's safety is the supreme law.

All laws that violate this maxim are bad laws and should be repealed.

Respirator Buyers Beware

NIOSH has become aware of a counterfeit N95 Respirator on the market. The manufacturer Zubi-Ola is selling N95 respirators and marketing them as NIOSH-approved even though Zubi-Ola is not a NIOSH approval holder or a private label holder. In addition, NIOSH was made aware of manufacturers misrepresenting the NIOSH-approval. These manufacturers include:

- 1.) Wein Products- All approvals for Wein Products were rescinded in 2011. However, the manufacturer's website continues to state the ViraMask N99ESC is certified by NIOSH. View the user notice announcing then rescission.
www.cdc.gov/niosh/npptl/usernotices/notices/notice08262011.html
- 2.) Steelpro Safety- Steelpro Safety is a private label holder of Fido Masks. In 2014, Fido rescinded the certificates of approval for their respirators, but Steelpro's website continues to state that respirator

The Institute of Medicine's 2000 report, **To Err Is Human**, and the widespread media attention it received, dramatically increased awareness of the extent of

medical mistakes in U.S. hospitals. Since then, a number of states and national quality organizations have adopted policies requiring or encouraging medical professionals to tell patients and families when unanticipated "adverse events" occur. Some organizations and insurers have gone even further by adopting programs through which disclosures of adverse events are accompanied by offers of compensation (known as

disclosure and offer or D&O programs). Still, prompt disclosure of **medical errors** and fair compensation remain the exception rather than the rule.

Thomas H. Gallagher, M.D., associate professor of medicine at the University of Washington,

and Michelle M. Mello, J.D., Ph.D., M.Phil., **C. Boyden**

Gray Associate Professor of Health Policy and Law at the Harvard School of Public Health, seek to more fully understand the effects of disclosure initiatives and innovative D&O programs on malpractice costs and patients' access to compensation. Their project, **Responding Justly to Patients Harmed by Medical Care: Disclosure, Compensation, and Litigation**, explores how policy levers can be used to make disclosing errors more routine and evaluates the design and effectiveness of D&O programs. Their work should help policymakers better understand the potential of these initiatives and
